LOCAL GOVERNMENT PAYMENT GATEWAY

Established in 1996 and now in its 21st year, BNS Payments processes millions of pounds of online payments every year.

Its expertise in the Local Authority Sector allows BNS to offer a very low transaction cost, for both debit and credit card payments, regardless of value.

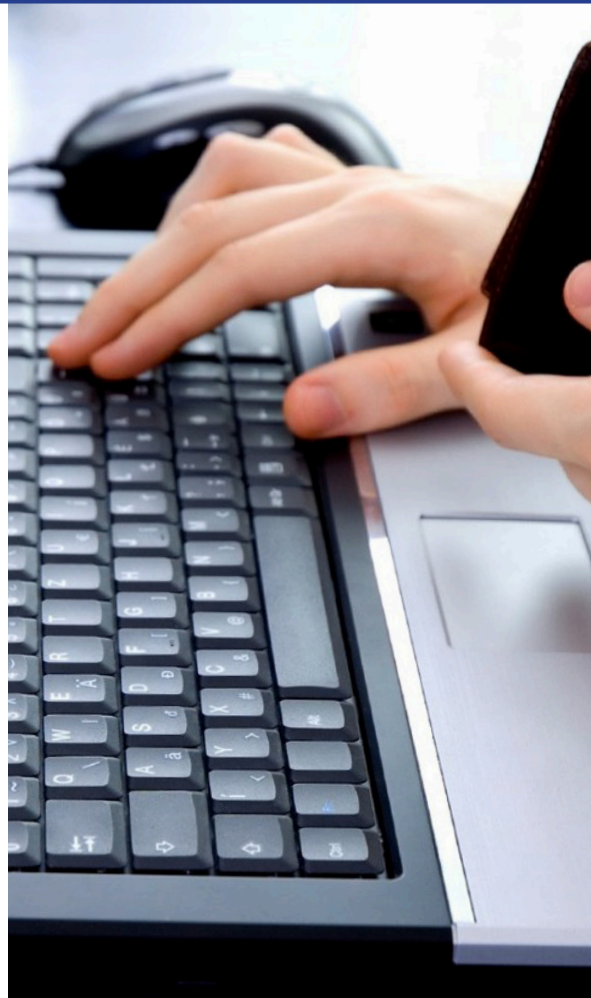

As a Local Government entity, you can save thousands of pounds of transaction fees every year. And because BNS Payments is a BACS Approved Bureau, we can handle all your paperless direct debit and credit payments as well, all under the one roof.
