# Increased CEG Volume with the BNS APP Solution

Established in 1996 and now in its 21st year, BNS Payments processes millions of pounds worth of online payments every year.

Its expertise in the Charity, Education and Local Authority Sector, allows BNS to offer a very low transaction cost, for both debit and credit card payments, regardless of value.

So by using BNS, you can stay ahead of the technology curve, and save thousands of pounds of transaction fees every year. And because BNS Payments partners with Lloyds Cardnet, you can be certain those payments will be made securely on time, every time.

## Benefits

- 5 minute set-up process
- Payment infrastructure
- No hurdles
- Nothing for the client to do
- Receive payments instantly
- No set-up or support fees
- App requirement ticked
